Greg Chew, Senior Planner  
Sacramento Area Council of Governments  
1415 L St # 300,  
Sacramento, CA 95814

Dear Mr. Chew,

The City of Winters is requesting a 12-month extension for the grant provided through SACOG's Community Design Funding Program for pedestrian improvements along Grant Avenue. The City has completed the improvement plans and is currently in the process of setting up a pre-submittal meeting with Caltrans with the intent to submit the plans for review. Our goal is to have the plans approved by Caltrans, but we need more time to process the plans through the agency approval phase.

Thank you.
