Informational Item

March 7, 2024
Summer Lopez

2025 ATP re-cap

- Statewide program to increase walking & bicycling
- Three component funding program

Statewide

SU&R

MPO

Upcoming Milestones

March 21-22

CTC announces the State ATP call for projects

April 18

SACOG board considers adopting Final 2025 Regional ATP Policy Framework

Changes in Statewide Guidelines

- Submittable
- DAC qualifiers
- Quick-build application & process

Proposed Changes for Regional Framework

- Administrative changes
- Changes affecting regional scoring

Proposed Administrative Changes

- For consistency with Statewide Guidelines:
 - Add schedule and funding table
 - Add project types
 - Add DAC* criteria

*Disadvantaged Communities

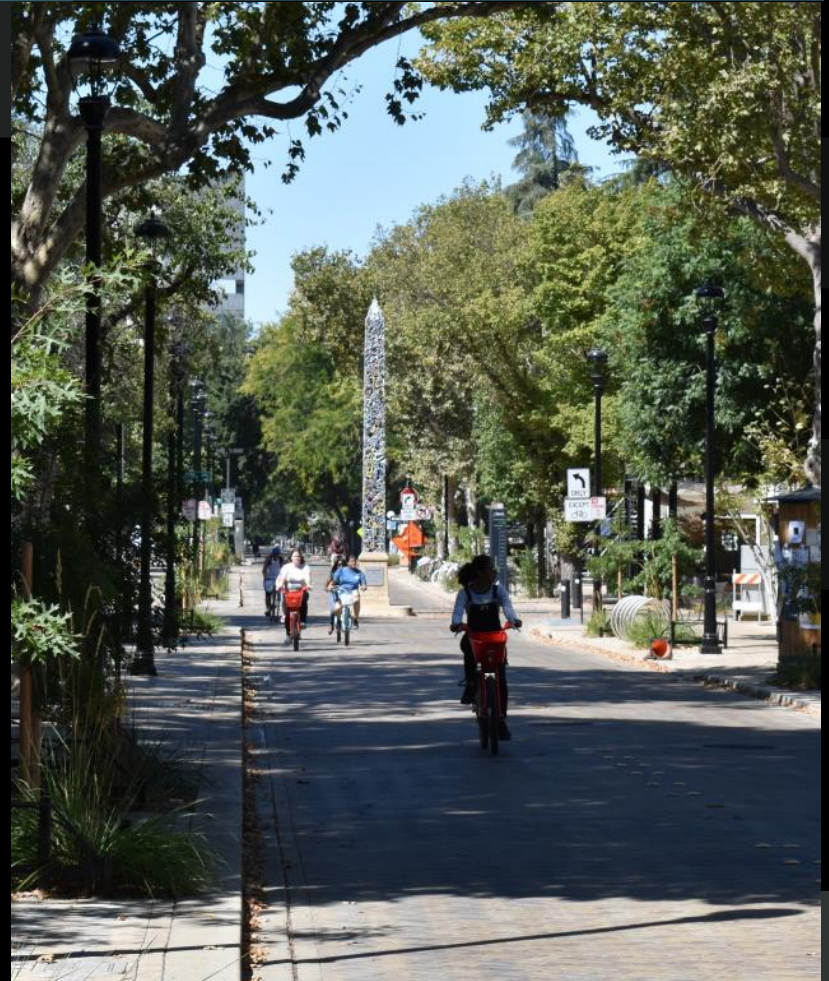

Proposed Points Changes

- Trails Points Distribution
 - Currently 5 points for projects that address the regional trail network
 - Consider reducing that point total to close the gap in scores

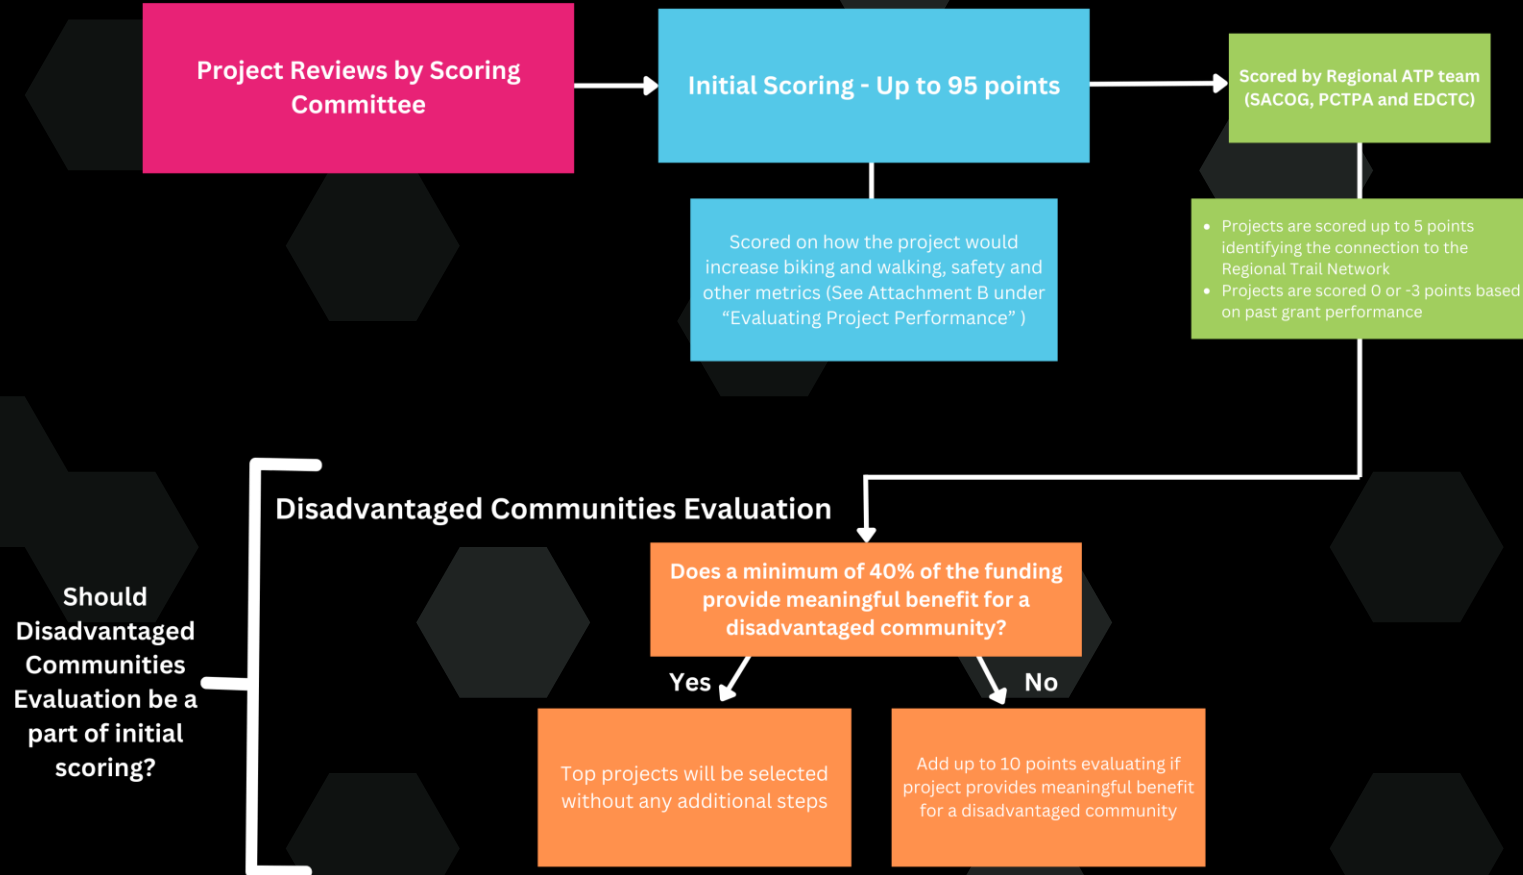

Proposed Points Changes

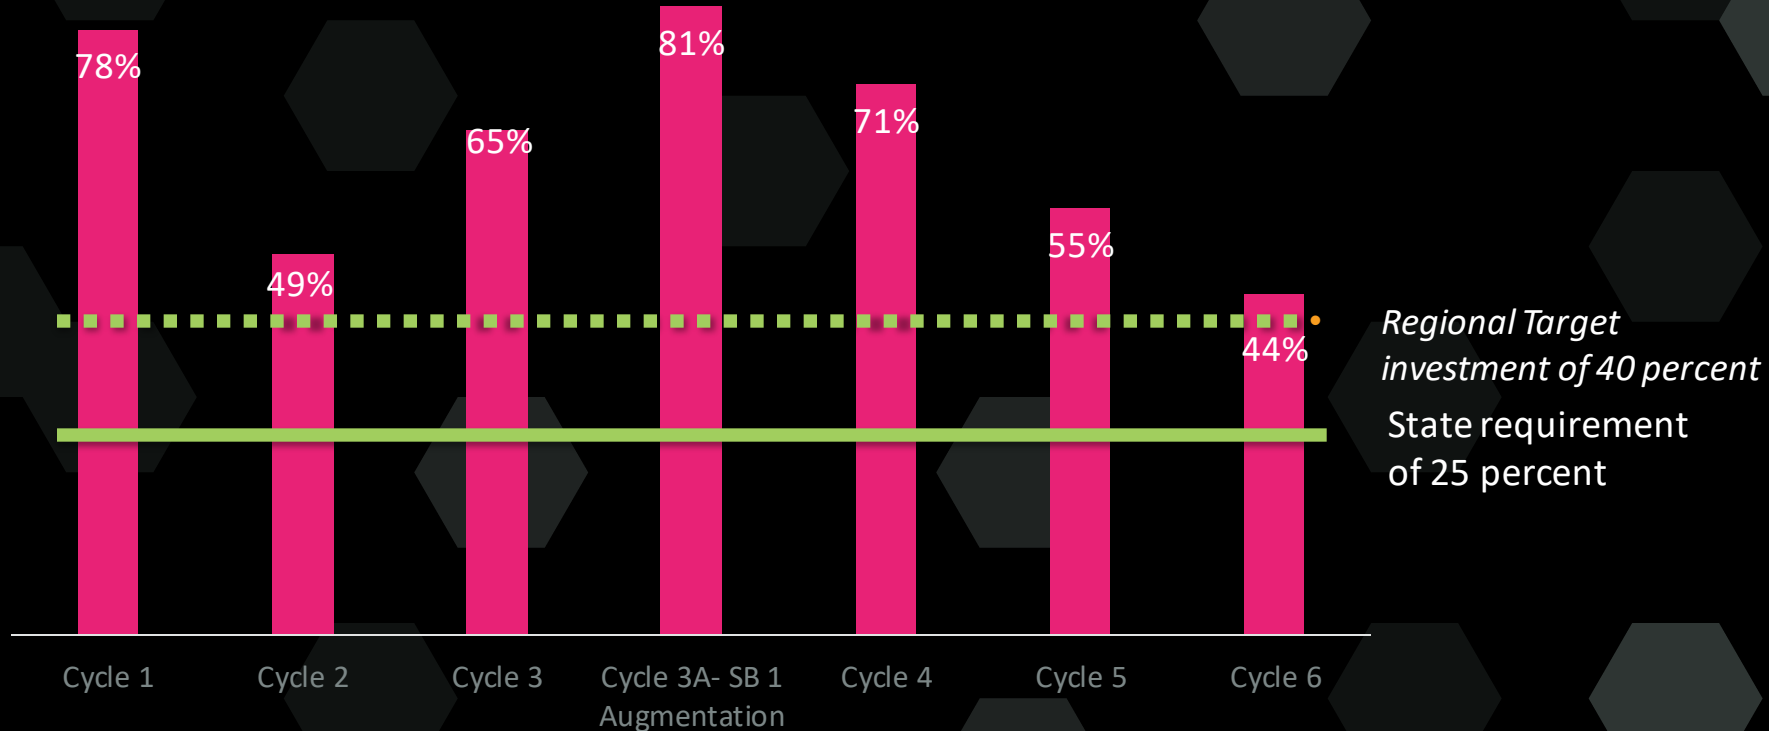

- DAC Points
 - Currently only scored if 40% of the projects did not meet criteria of being located within DAC

Current Evaluation Process

Investing in Underserved Communities:

Proposed Changes:

- Consistency with Statewide Guidelines: Schedule, funding table, project types, DAC criteria
- Trails Points Reduction
- DAC Evaluation Process Change
