

Capital Area Regional Tolling Authority Appointment

Action

Author: James Corless

Attachments: No

Referring Committee: Not Applicable

Issue:

The appointment of a SACOG board member to fill the vacant seat on the Capital Area Regional Tolling Authority (CARTA) board of directors.

Request:

Approve

Recommendation for Board:

Confirm the Chair's appointment of Director Desmond to fill the CARTA board seat vacated by former SACOG Director Kennedy.

Recommendation for Committee:

Not applicable

Background:

The CARTA governance structure includes two Director appointments from SACOG: one at-large seat and one seat from a jurisdiction within Yolo County. Director Villegas is currently serving in the seat from a jurisdiction within Yolo County. Former SACOG board member and Sacramento County Supervisor Patrick Kennedy had been serving in the SACOG at-large seat. Supervisor Kennedy vacated the SACOG board seat in April 2024, and as such a new appointment is needed to the CARTA board of directors.

Discussion/Analysis:

Chair Saragosa, who appoints board members to SACOG committees, is seeking board confirmation of this recommendation. The chair recommends Director Desmond be appointed to the CARTA board given his service on the Sacramento County Board of Supervisors, the proximity of Yolo 80 to Sacramento County, and the likelihood that the next toll facility in the region will be in Sacramento County.

Fiscal Impact/Grant Information:

There is no fiscal impact to this action.
