

SACOG shall be the lead agency for an eventual master agreement. Services will be provided on a scheduled or on-demand basis. Fuels include:

1. Unleaded
2. ULS Diesel
3. Renewable Diesel
4. Red-Dyed Diesel
5. CNG
6. LNG
7. Ethanol (E-85)
8. Propane
9. Cardlock
10. Various Lubricants

Participating Agencies will purchase directly from the selected vendor under a SACOG's established master agreement by using the sub-agreement process. Participating Agencies shall be directly billed by the selected vendors for any purchase made under the agreement.

#### Project Timetable

May 2018	Release Joint Fuel & Lubricants RFP
June	Select Vendor(s)
