

*A new vision for transportation*

**October 30, 2019**

9am-3pm

2300 Sierra Blvd, Sacramento

Tickets \$50 @ [rff.eventbrite.com](http://rff.eventbrite.com)

### Topics Include:

- Local transportation tax measures
- Transportation Innovation
- The region's new 20 year transportation plan

### Who Should Attend:

- City councilmembers
- County supervisors
- Utility board members
- Public works, planning, economic/community development, utility, and transportation directors
- Transit general managers, air pollution control officers
- City and county executives
- Private sector mobility providers
- EV companies, and others investing in and informing transportation innovation
- State and federal district staff

The Regional Futures Forum will convene national and local leaders to understand how we continue to propel the region's position as a leader in developing a modern transportation system that increases mobility and is the backbone of a prosperous economy.
