**1. Issue:**

Staff has reviewed requests for Local Transportation Fund (LTF) and State of Good Repair (SGR) fund including amendments for compliance and recommend approval of three claims under the Transportation Development Act (TDA) fund.

**2. Recommendation:**

Staff recommends that the Board approve this summary resolution of the TDA claims listed below.

- |   |                    |
|---|--------------------|
| 1. YSTA (FY 20-21 Amended SGR) for \$75,000 | Resolution 93-2022 |
| 2. City of Folsom (FY 22-23) for \$178,502  | Resolution 94-2022 |
| 3. YCTD (FY 20-21-Amended SGR) for \$60,859 | Resolution 95-2022 |

**3. Background/Analysis:**

The Transportation Development Act (TDA) authorizes eligible cities, counties, and transit operators to receive TDA funds for transportation purposes and street and road projects. The TDA funds are made available from sales tax receipts. Current board policy calls for routine TDA allocations to cities, counties, and transit operators to come directly to the board without review by a committee. These funds will be used as authorized by law for various purposes and in the amounts shown on the attached resolutions.

**4. Discussion/Analysis:**

The claims have been reviewed by staff and found to be in compliance with the TDA and consistent with the Metropolitan Transportation Plan/Sustainable Communities Strategy and the Short-range transit Plans.

**5. Fiscal Impact/Grant Information:**

There is no fiscal impact to SACOG's operating budget from a local TDA claim. Staff time to administer the funds is included in the agency's adopted overall work program.

**6. This staff report aligns with the following SACOG Work Plan Objectives:**

**Goal 1 : Advance Economic Prosperity**

**Objective 3:** Improve people's ability to get to jobs, schools, and other economic opportunities.
