1. Issue:

Approval of SACOG's 2023 Advocacy Principles

2. Recommendation:

The Policy and Innovation Committee unanimously recommends that the board approve the proposed 2023 Advocacy Principles.

3. Background/Analysis:

SACOG's Advocacy Principles provide board direction to staff on the policy issues to monitor and pursue. Attachment A is the proposed advocacy principles for 2023, which are unchanged from the 2022 advocacy principles.

4. Discussion/Analysis:

Staff recommends approval of SACOG's advocacy principles, which reflect policy issues we expect to arise in 2023. Staff did not make any changes from the 2022 advocacy principles because these principles still align with SACOG's 2023 priorities to advocate for transportation and land use policies and funding that support and advance programs like Green Means Go.

5. Fiscal Impact/Grant Information:

SACOG's advocacy activities are paid for through member dues.
